

COVID-19

We are delighted to announce that The Ford Inn will be open from Saturday, 4th July under new ownership.

Darren Garforth and Simon Clarke have taken over from Phil and Helen England and look forward to welcoming regular and new customers. We wish Phil and Helen all the very best and thank them for their help with the handover.

Your safety and well-being are important to us and we have implemented and adhered to the recently published COVID-19 Government Guidelines to ensure that you enjoy your visit.

HOW WE HAVE PREPARED TO OPEN

A deep clean of the premises has been undertaken.

Hand sanitiser is available at various points around the premises.

HSE COVID-19 Risk Assessment has taken place to ensure minimal risk and procedures implemented to this effect.

We have a reduced menu until further notice. Every menu provided to customers will be disposed after use.

It is recommended that you book your table in advance as we cannot guarantee spaces for walk in customers. However, we will do our absolute best to accommodate you.

The doors and windows will be open when practical to allow airflow through the premises.

All guests must be seated at a table in a 'bubble' of maximum 6 persons. We apologise that this means no standing at the bar. All orders for drinks and food will be taken at the table.

At least one guest will be required to register their details with us for track and trace purposes.

Cutlery and condiments will be provided when your food is served.

All tables will be sanitised between occupancy.

Please be courteous with our staff. This is all new to us and we will do our utmost to make everything run smoothly.

We look forward to welcoming you all to The Ford Inn for some hearty home cooking and to raise a glass or two!

Darren and Simon
